Notes:

A grade of C- or better must be earned in order for a class to transfer.

Courses listed in the right column reflect the *recommended* or *preferred* course or course of action to take for transfer, based on alignment with the two year degree and PNCA's curriculum.

**Italicized notes* indicate a broader range of acceptable course options that may also fulfill the requirement, though they may not offer as strong a match as the recommended course or course of action recommended.

PNCA's Transfer Pathways are designed as complete, pre-approved sequences. Due to differences in combined course content, and specific course approvals, the pathway must be followed in full to ensure all credits transfer as intended.
