

PNCA's Graduate (MFA / MA) Transfer Credit Policy

PNCA GRADUATE TRANSFER CREDIT POLICY STATEMENT

Students with previous graduate credits are welcome and valued members of the educational community at PNCA. Students with experience in non-PNCA graduate programs bring to the College a diversity of ideas, experience and expertise that stimulate both the creativity and growth in the classroom.

PNCA offers a comprehensive and rigorous program of sequential classes that lead to the Master of Fine Arts and Master of Arts degrees. As such, this policy has been crafted to ensure the best educational experience possible for students arriving at PNCA via another Graduate institution, incorporating PNCA's institutional desire to honor prior experience as well as our commitment to stated learning outcomes within each PNCA Graduate program.
